TEACHERS WHO HAVE SERVED AT KING OF KINGS	15

OUR MISSION

King of Kings Christian Academy exists to reach out to our students and their families in order to educate, equip, and encourage them with the Word of God.

OUR VISION

1. King of Kings Christian Academy will serve as a place where God's Word is taught in its truth and purity, and where children will have the opportunity to experience, learn, and grow in that Word. *"Train up a child in the way he should go, and when he is old, he will not turn from it."* - Proverbs 22:6
2. King of Kings Christian Academy will serve to provide an excellent Christ-centered education to meet the needs of all students. *"We each have different gifts, according to the grace given us."* - Romans 12:6
3. King of Kings Christian Academy will serve to encourage and equip students to grow in their faith as life-long servants of the Lord for the church, their families, their community, and the world. *"Therefore, as we have opportunity, let us do good to all people, especially those who belong to the family of believers."* - Galatians 6:10
4. King of Kings Christian Academy will serve as an extension of the church in the area of outreach into the Garden Grove community, where the students will have the opportunity to witness their faith. *"We cannot help speaking about what we have heard and seen."* - Acts 4:20

OUR OBJECTIVES

1. To provide a Christ-centered education that focuses on the Word of God, especially as it reveals God's plan of salvation, creation, redemption, and sanctification in Jesus Christ. *"Bring them up in the training and instruction of the Lord."* - Ephesians 6:4
2. To encourage and teach the students to apply God's Word in service to him, their families, their church, and their community. *"Be imitators of God, therefore, as dearly loved children, and live a life of love, just as Christ loved us and gave himself up as a fragrant offering and sacrifice to God."* - Ephesians 5:1-2
3. To prepare the students to witness their faith in the Garden Grove community and beyond. *"Go into all the world and preach the good news to all creation."* - Mark 16:15
4. To teach all subject matter, whether religious or secular, in the light of God's Word. *"All scripture is God-breathed and is useful for teaching, rebuking, correcting, and training in righteousness."* - 2 Timothy 3:16
5. To pursue academic excellence through a comprehensive and Christ-centered curriculum. *"And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus Christ, giving thanks to God the Father through him."* - Colossians 3:17
6. To motivate and challenge students to develop their God-given gifts and talents to the fullest extent of their abilities. *"Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms."* - 1 Peter 4:10
7. To provide a team of faculty and staff who not only serve as role models for the students by their Christian example, but also demonstrate a commitment to a Christian education through their professional and spiritual growth. *"But as for you, continue in what you have learned and have become convinced of, because you know those from whom you learned it. And how from infancy you have known the Holy Scriptures, which are able to make you wise for salvation through faith in Christ Jesus."* - 2 Timothy 3:14-16

CHURCH WORSHIP

We are very interested in the spiritual welfare of the children in our school as well as their families. Because worshipping the Lord is an important part of being a Christian, we encourage all students and their families to regularly attend church services, Bible classes, and Sunday school. It is important for parents/guardians to set the example for their children about the importance of God, and his Word, in their lives. If you do not have a church home, we encourage you to speak with our pastors to see how we can serve your spiritual needs.

BIBLE INFORMATION CLASS

King of Kings Christian Academy recognizes how important it is that parents/guardians are involved in the religious instruction of their children. In order to better understand what your child will be taught in our school, all new parents/guardians, who are not members of the Wisconsin Evangelical Lutheran Synod (WELS) or the Evangelical Lutheran Synod (ELS), are required to meet with the pastors of our churches at the beginning of the school year to set up Bible Information Classes. These classes will cover various teachings of the Bible.

ENROLLMENT

King of Kings Lutheran Church strives to fulfill the Lord's command to, "Go and make disciples of all nations." To that end, we have opened a Christian Academy to serve as an active mission arm of the congregation.

NOTICE OF NON-DISCRIMINATORY POLICY

Since Jesus loves all children and wants them to hear his saving message, King of Kings Christian Academy admits students of any race, color, nationality, and ethnic origin to all of the rights, privileges, programs, and activities generally accorded or made available to the students at the school. The school does not discriminate on the basis of race, color, nationality, or ethnic origin in the administration of its educational policies or other school administered programs.

CONSENT OF COOPERATION

Before a parent/guardian enrolls a child at King of Kings Christian Academy, they are required to agree to the following provisions:

1. Parents/guardians consent to have their child(ren) instructed in the teachings of the Bible as taught by the Wisconsin Evangelical Lutheran Synod, and will not obstruct this teaching.
2. All parents/guardians who are not members of the Wisconsin Evangelical Lutheran Synod (WELS) or the Evangelical Lutheran Synod (ELS) are required to meet with the pastor of our church at the beginning of the school year to set up Bible Information Classes. These classes will give parents/guardians the opportunity to find out what we will be teaching your child in regards to the Word of God.
3. Parents/guardians will make every effort to attend all school activities throughout the school year. These activities include, but are not limited to, singing in church services, parent/teacher conferences, PTO meetings and the like.
4. Parents/guardians are expected to support and cooperate with all teachers, the school staff, and the School Team.
5. Parents/guardians agree to pay all required school fees and tuition payments on time.
6. Parents/guardians will abide by and support all of the policies set forth in this handbook.

ENROLLMENT PROCESS FOR NEW STUDENTS

1. Read through all of the documents in the application packet.
2. Completely fill out the Application for Enrollment Form and submit it to the school office.
3. Once your application has been processed, you will be contacted to set up an interview with school representatives.
4. To assist with the interview, please bring any documents listed on the application form.
5. The School Team has the final say in regard to all enrollments.

ENROLLMENT REQUIREMENTS

To enter kindergarten, a child must be five years old on or before September 1.

Parents/guardians of kindergarten students, or students who are new to the school, must provide updated vaccination records, and if applicable, academic records (report cards, test results, etc.). Enrollment may be denied if the aforementioned information is not provided to the school office before the beginning of the school year.

All new students are accepted on a provisional basis. After two weeks, a reassessment may be required to determine whether or not the school will be able to accommodate the student. In some cases, enrollment may be repealed.

SCHOOL FEES

Because King of Kings Lutheran Church is committed to preaching the saving message of Christ to all people, the members of the congregation, through their offerings, support a portion of the cost of tuition for each student. In addition, tuition assistance is available on a case by case basis through individual request to the School Director.

REGISTRATION FEES

A non-refundable registration fee is charged for each child enrolled at King of Kings Christian Academy. The entire registration fee must be paid by registration day.

PAYMENTS

King of Kings Christian Academy makes use of FACTS, an online tuition management system. Through it, parents are able to schedule payments in two, ten, or twelve installments. Payments of tuition and fees will use the following guidelines:

1. All registration fees must be paid in full on or before registration day.
2. Subsequent payments are to be paid in full by the date chosen in your FACTS account. A late fee is assessed if a tuition payment is more than five days late.
3. If a family is having trouble making payments due to financial hardships, they are to contact the School Director for assistance.
4. Unless approved by the School Director, a family may not be allowed to re-enroll until money owed from the previous year is paid.
5. Checks returned due to insufficient funds (NSF) will result in a \$35 service charge. Receipt of two NSF checks will result in the acceptance of cash, cashier's check, or money order only.
6. A written notice is issued for each account that is not current in payments. If the account is not brought current within two weeks of the due date, student enrollment may be suspended. Three suspensions for late or non-payment of tuition results in the termination of student enrollment. Parents are encouraged to contact the School Director ahead of time for assistance.

CURRICULUM

King of Kings Christian Academy offers a full scholastic curriculum in all subjects required by both the Wisconsin Evangelical Lutheran Synod (WELS) and the State of California. This curriculum is designed to provide for the spiritual, mental, social, and physical needs of the students. The entire curriculum is taught in the light of God's Word.

99% - 93%	= A	86% - 83%	= B	76% - 73%	= C	66% - 63%	= D
92% - 90%	= A-	82% - 80%	= B-	72% - 70%	= C-	62% - 60%	= D-
						59% - 0%	= F

STANDARDIZED TESTING

King of Kings Christian Academy administers the Northwest Evaluation Association Measures of Academic Progress (NWEA MAP) test twice a year for students in grades 3-8. This online testing program shows student progress from the beginning to the end of the academic year.

HOMEWORK

Time is given throughout the school day for assignments to be finished. Any school work that is not done by the end of the day is to be completed at home. The level of homework will increase as students progress from grade to grade. Parents/guardians are responsible for making sure their child completes the homework before the due date. If a parent/guardian feels that the amount of homework is excessive, please contact the child's teacher.

FIELD TRIPS & ASSEMBLIES

Field trips and in school assemblies are scheduled throughout the year to engage students in experiential learning. Every year, parents are to fill out the field trip permission form found in the registration packet. Parents are also needed to drive and chaperone these events. Teachers will send home an informational field trip notice at least one week prior to the trip.

ATTENDANCE

SCHOOL HOURS

King of Kings Christian Academy runs a before school daycare program that is open from 7:00 to 7:55 a.m. If students arrive before 7:55 a.m., and do not wish to make use of the before school daycare, they must remain supervised by a parent/guardian until their classroom opens.

From 7:55 to 8:15 a.m. students are allowed into their classrooms. The school day begins at 8:15 a.m. and ends at 3:00 p.m. Parents/guardians have until 3:15 p.m. to pick up their child before the after school daycare program begins. Any student who is not picked up by that time will be automatically checked into after school daycare, which closes at 6:00 p.m. The school playground is closed to students both before and after school.

ABSENCES FROM SCHOOL

The State of California requires all children to attend school every day that the school is in session. If your child is going to be absent for any reason, parents/guardians must contact the school office in the morning so the teacher can be informed. Absences will be marked by the quarter day. Arrival from 9:00 to 11:00 a.m. or departure from 2:00 to 3:00 p.m. will be marked as a $\frac{1}{4}$ day absence. Arrival or departure from 11:00 a.m. to 1:00 p.m. will be marked as a $\frac{1}{2}$ day absence. Arrival from 2:00 to 3:00 p.m. or departure from 9:00 to 11:00 a.m. will be marked as a $\frac{3}{4}$ day absence.

Absences from school typically fall into three categories: student illness, student medical appointment, family outing. While student illness cannot be helped, we ask that you schedule all doctor appointments and family trips when school is not in session. If this is not possible, we ask that you be honest with us as to why your child missed school.

If a student is ill, a parent/guardian is to make arrangements to have make-up work picked up from school. If you know ahead of time that your child will be missing school, a parent/guardian is responsible to ask the child's teacher for any schoolwork that will be missed before you leave.

If a child must be dropped off late or picked up early, parents/guardians must go into the school office to sign the child onto or out of the campus.

TARDINESS

Classroom doors open at 7:55 a.m. with school beginning promptly at 8:15 a.m. A parent/guardian must drop children off during this time period. In order to give your child plenty of time to get ready for the day, we strongly urge you to drop them off by 8:10 at the latest.

If you are tardy for any reason, you must take your child to the school office to sign them in and to fill out a tardy slip stating the reason for the late arrival. Again we ask for your honesty when stating your reason. This slip is given to the teacher by the student for entry into their classroom.

If tardiness becomes a habit, the principal will speak to the parent/guardian to encourage on time behavior. If the tardy arrivals continue, the School Director will be informed, and will issue a letter encouraging on time behavior. If the tardy arrivals still continue, the School Director will issue another letter stating the following consequences:

1. After four additional tardy arrivals the student will be suspended for one day of school.
2. After a fifth additional tardy arrival, the student will be suspended for one day of school and the parent will lose any tuition assistance.
3. After a sixth additional tardy arrival, the student will be expelled from the school.

VISITING THE CAMPUS

PARKING LOT PROCEDURES

All cars must enter the campus through the Trask Avenue entrance. Cars that are dropping off or picking up students, are to drive to the designated zone near the gate by the office. Drivers and students are to follow the directions of the safety officer at all times. Parents exit the campus by turning left and leaving via the Newhope Street driveway. If a car needs to be parked, it must be done along the low brick wall along Trask. A map is provided to all parents at the beginning of the school year.

ENTERING THE CAMPUS

To ensure a safe learning environment, we require that all those who come onto our campus must enter through the pedestrian gate and then check in at the school office. Parents/guardians may not go directly to classrooms without checking in at the school office first. If your child needs to have something dropped off (lunch, etc.), then it is to be given to the office manager for delivery to the classroom.

CONTACTING THE SCHOOL

To contact a teacher during school hours, parents/guardians are to call the school office. Text and email are also good tools to communicate with your child's teacher, however, don't expect a reply to your message during class time.

DAYCARE

King of Kings Christian Academy operates a before school daycare program that is open from 7:00 to 7:55 a.m. and an after school daycare program that is open from 3:15 to 6:00 p.m. for all students in kindergarten through eighth grade. All students who make use of the daycare must be signed in and out by a parent or approved guardian. Check the tuition guide for rates.

SCHOOL COMMUNICATION

An open line of communication between the school and home plays an important role in the success of the students. King of Kings Christian Academy will send home a weekly newsletter via email with important information and upcoming events. In addition, each teacher will send home a weekly newsletter highlighting important classroom specific information. It is the responsibility of each parent/guardian to thoroughly read all communications sent home from the school in order to be completely informed of what is going on at the school.

Any question or concern about a classroom rule or procedure should be brought to the classroom teacher. This would be best done by making an appointment to meet at a convenient time. Any question or concern about another student should be brought to the classroom teacher to resolve the issue. Parents may not approach a student to discuss the concern unless that student's parents consent and are present. If an answer isn't found, the parents and teacher should contact the principal. If an answer still isn't found, then it can be brought to the School Director.

STUDENT DRESS CODE

King of Kings Christian Academy strives to train our students to show their love for their Savior as they learn about him. To produce an atmosphere of Christian respect and learning, we require students to wear clean, decent, God-pleasing clothing to school. The principal and the faculty will determine what is acceptable attire. Students who are wearing clothes that violate the dress code will be given a change of clothing at school. Parents/guardians are encouraged to make sure that their children are dressed according to the following dress code. Your cooperation is expected and appreciated.

1. Students may not display on their clothing, or anywhere else, any of the following:

8. Wait with their teacher at the end of the day for their ride to pick them up.
9. Stay out of the fenced in preschool area.

PROPERTY DAMAGE

If school property is lost, damaged, or destroyed by a student, then that student's parent/guardian will be responsible for reimbursing the school. This includes both careless and willful damage to textbooks, desks, or any other piece of property owned by King of Kings Christian Academy.

ANTI-BULLYING POLICY

Bullying in all its forms is not allowed at King of Kings Christian Academy. These forms include words, actions, and cyberbullying. All students sign an anti-bullying contract at the beginning of each school year. The following shows the differentiation between the various levels of sinful behavior:

1. Rudeness is doing something unintentionally hurtful to another person either physically or emotionally. Once the sin has been pointed out, and the student asks for and receives forgiveness, the behavior stops.
2. Meanness is doing something intentionally hurtful to another person either physically or emotionally. Once the sin has been pointed out, and the student asks for and receives forgiveness, the behavior stops.
3. Bullying is doing something intentionally hurtful to another person either physically or emotionally. However, once the sin has been pointed out, and the student asks for and receives forgiveness, the behavior does not stop.

ILLEGAL SUBSTANCES

King of Kings Christian Academy prohibits the possession of any illegal substances on the school property, at any school sponsored event, or in any vehicle providing transportation to school or to a school sponsored event. Illegal substances include, but are not limited to: alcohol, tobacco products, illegal drugs, or any other substance capable of causing serious bodily harm. Weapons of any kind are also prohibited. A weapon includes, but is not limited to: cutting instruments, lighters or matches, firearms, or any other instrument capable of causing serious bodily harm. Students who violate this policy are referred to the School Director for disciplinary action up to and including expulsion.

SUSPENSION AND EXPULSION OF STUDENTS

In cases of extreme student misconduct, suspension and/or expulsion may be considered. Suspension is a temporary dismissal from school, which is imposed on a student by the School Director with input from the principal and the School Team.

Expulsion is a permanent removal from the school, which is imposed on a student by the School Director with input from the principal and the School Team. Actions that are considered grounds for dismissal include, but are not limited to: repeated refusal to do school work, repeated classroom/playground disruptions, fighting, repeated truancy and/or tardiness, persistent lack of repentance, possessing an illegal substance, a single overt act of misconduct. The parents of an expelled student have the right to appeal the expulsion to the Church Leadership Council within 30 days.

SCHOOL ATHLETICS

King of Kings Christian Academy offers students participation in various team sports throughout the year. Our school is a member of the Christian Athletic League of Orange County (C.A.L.O.C.), which allows us to play interscholastic sports. Our school also participates in various tournaments and sports days with the WELS schools of Southern California. To remain on a team, student athletes must maintain appropriate grades. All parents and students are encouraged to attend games and cheer for the teams.

PARENT PARTICIPATION PROGRAM

In an effort to help support the school, all families are asked to volunteer for the Parent Participation Program. By the end of the school year, each family has a goal of reaching 10 total hours of doing anything that helps promote the education of the students. Examples of this include, but aren't limited to: driving for a field trip, helping with the sports program, cleaning the campus, etc. All hours are logged online by parents using the link provided in the weekly school newsletter. Parents may opt out of volunteer hours by paying a \$500 fee.

PARENT TEACHER ORGANIZATION

The Parent Teacher Organization (PTO) is a volunteer organization that serves the children, teachers, and parent/guardians of King of Kings Christian Academy. It is made up of school parents or family members, a teacher representative, and is overseen by the principal. This organization provides service opportunities, as well as organizes educational events and fundraisers. Meetings are held periodically throughout the year, which all parents should make every effort to attend.

LOST AND FOUND

King of Kings Christian Academy is not responsible for lost articles of clothing, books, or personal items that a student brings from home. Please label all of your child's items with a permanent marker, so they easily be returned when found. All lost and found items are stored in the school office.

SCHOOL LUNCH

Since there is no cafeteria on campus, the students are to bring their own lunch from home. King of Kings Christian Academy does not provide refrigeration, so parents and students are responsible for the proper care of food. Microwaves are available in the classrooms for student use. On occasion, parents have the opportunity to purchase a pizza lunch for their student, which is provided by the school.

HEALTH AND SAFETY

The responsibility for the general health and safety of the student belongs to the parent. When parents send a child to school that is sick or exhibiting symptoms of an illness, they are endangering the health and safety of the other members of the classroom, as well as the school. If a teacher notices that a child is feeling ill, the child's parent/guardian will be called.

IMMUNIZATIONS

Every year, the State of California requires that we submit the immunization records for all students that are new to the school, all kindergarten students, and all seventh grade students. At the beginning of each school year, parents of every grade should bring a copy of their child's updated immunization form to the school office. By state law, students may not attend school if their immunizations are not up-to-date. If a medical exemption is needed, parents must submit a signed letter by a doctor.

MEDICATIONS

From time to time, medication must be taken by a student at school. In order to do that safely, a parent or guardian must completely fill out a Medication Consent Form, which is available in the school office or the classroom. All medication must be in its original container, and must be given to the student's teacher or the office manager directly by the parent. Medicine will not be administered if the form is not completely filled out, and the medicine is not in its

original container.

VISION, HEARING, SCOLIOSIS SCREENING

The State of California requires vision and hearing screening in kindergarten, 2nd grade, 5th grade, and 8th grade. A scoliosis test is also required for 7th grade girls and 8th grade boys.

COMMUNICABLE DISEASES

When a student is sick, it is of the utmost importance that he or she not be sent to school. Because of our classroom set-up, diseases are easily spread from one student to the next. If your child has any of the following symptoms, they will not be allowed to come to school:

1. A fever over 100°F
2. Vomiting or diarrhea
3. Heavy coughing and excessive nasal discharge
4. Flu-like symptoms
5. Illnesses treated by medications (strep throat, pink eye, etc.)

If your child has been diagnosed with the following communicable diseases, he or she will not be allowed to return to school until the appropriate time has passed.

1. FEVER - Students may not be sent to school after taking fever reducing medicine. They may return once the fever of 100°F or greater has subsided for over 24 hours without the use of fever reducing medicine.
2. VOMITING - If a student vomits for any reason, they may not be sent to school. Students may be sent to school once they have not vomited for 24 straight hours.
3. INFLUENZA - Students may be sent to school once the fever of 100°F or greater has subsided for over 24 hours without the use of fever reducing medicine.
4. COVID - Students may be sent to school once the fever of 100°F or greater has subsided for over 24 hours without the use of fever reducing medicine and symptoms .
5. STREP THROAT - Students may return to school once the fever of 100° F or greater has subsided for over 24 hours without the use of fever reducing medicine, and they have completed 24 hours of antibiotic treatment.
6. CONJUNCTIVITIS (PINKEYE) - Students may not return to school until they have completed 24 hours of antibiotic treatment, and there is no discharge from the eye.
7. ALL OTHER COMMUNICABLE DISEASES - Students may return to school with the permission of a doctor. These diseases include, but are not limited to, chicken pox, measles, mumps, rubella, impetigo, scabies, and ringworm.

If a student is deemed to be too sick for school (vomiting, fever, etc.) the student's parent/guardian will be contacted to pick the child up immediately.

HEAD LICE

If you believe that your child has head lice, you must notify the school immediately and keep your child at home. The following procedures will then take place at the school:

1. A note will be sent home informing all of the families at the school.
2. Any students that have had immediate contact with the affected student (classmates, daycare, etc.) will be checked by school personnel.
3. Any students found with either lice or nits will be sent home from school immediately.

Students may return to school when no lice or nits have been found by a parent or doctor. The affected student will be rechecked by school personnel for verification. Since nits take ten days to hatch, the affected student will be rechecked ten days later by school personnel.

SCHOOL HISTORY

King of Kings Christian Academy opened its doors in 1965 as King of Kings Lutheran School in the annex built off of the church. The opening enrollment was about 45 students. As the Lord blessed the congregation, the need for a new elementary school building became evident. In March of 1966, the building of our present four-room school was begun. Construction was completed by September of that year, and the building was dedicated for the second year of classes. During that time, 100 students were enrolled, using three of the four classrooms. In the next few years, a kindergarten program was added to the school, using the space of the original school. The preschool program was added years later, completing the grade levels of our school.

TEACHERS WHO HAVE SERVED AT KING OF KINGS

Throughout the years, God has blessed our congregation with many faithful called workers. May the Lord continue to bless the efforts of the teachers, pastors, and parents at King of Kings Christian Academy as we strive to provide a strong Christian education to our children!
